Maclear shortlisted for CIR Risk Management Award 2015

Maclear's enterprises, governance, risk and compliance (eGRC) software solution Maclear eGRC Suite™ and professional services recognized in 2 categories for the CIR Risk Management Awards 2015.

Risk Management Specialist Company of the Year;

User Implementation Award

Now in their 6th year the CIR Risk Management Awards recognise individuals, organisations and teams that have significantly added to the understanding and practice of risk management. Commenting on this year's awards, Mark Evans, Publishing Director, CIR Magazine said:

"This annual celebration places the spotlight on the hard work and achievements of the sector. Universally recognised as the pinnacle of success, the Risk Management Awards really are the measure of professionalism combined with passion."

"This year, the Risk Management Awards experienced the highest number of entries, making it an even greater achievement for Maclear to be a finalist. It is a great honour and achievement to be recognized by our peers and to help organizations meet their risk management objectives. We remain single minded in our pursuit of excellence and in delivering the most powerful, easy to use, eGRC solution that is best value for money. We would like to take this opportunity to thank the CIR and the Panel of Judges in recognizing our contributions to the profession." - Depeche Elliot, Co-founder and EMEA Head.
