Maclear shortlisted for Risk Management Service Provider of the Year Award 2015

Maclear's enterprise, governance, risk and compliance (eGRC) software solution the Maclear eGRC Suite™ and professional services recognized in the Institute of Risk Management's Global Risk Awards 2015 shortlist.

The Institute of Risk Management (IRM) is the world's leading enterprise-wide risk education Institute. The IRM is an independent, internationally respected advocate of the risk profession, owned by practising risk professionals operating internationally, with members and students in over 100 countries, drawn from a variety of risk-related disciplines and a wide range of industries.

The Risk Management Service provider of the Year recognizes "the very best in service delivery among those that supply any risk management services to the industry." In judging this category the judges were looking for:

- * Evidence of best in class offerings which exceed expectations;
- * Customer satisfaction, including helping customers to achieve their risk management goals;
- * A commitment to risk management professional development within the service provider;
- * Innovative approaches to meeting customer needs and problem solving and
- * High quality delivery and customer service standards.

Ketan Dholakia, Co-founder and US & APACJ CEO said,

"Maclear is very proud of its long association with the IRM and we are very excited to be nominated for the third year running in the Awards three year history. Since winning the IRM SME Risk Management Award in 2013 Maclear has focused on improving the quality of our service offering and our award winning proprietary technology has played a significant role in enabling us to deliver innovative and cutting-edge solutions to help our clients."

IRM's Global Risk Awards celebrate innovation, creativity and achievement in risk management. The glittering awards night includes a presentation showcasing the best risk solutions, teams, organisations and individuals in risk management. This year's awards will be hosted by the amazing Joanna Lumley OBE and feature a shortlist of serious talent from across the world.

The final winners of the Awards will be announced at IRM's Global Risk Awards ceremony on 19 February 2015 to be held at the London Hilton in Mayfair, London, UK

Depeche Elliot, Co-founder and EMEA CEO said,

“Being shortlisted is a great accomplishment and would not have possible without the support of our team, investors, partners and most importantly clients. We are fortunate to have our clients trust in us to deliver high quality solutions and services and are looking forward to continuing to help them through their ongoing risk and compliance efforts. We would like to take this opportunity to thank the IRM and the Panel of Judges for recognizing our work.”

About IRM

The Institute of Risk Management (IRM) is the world's leading enterprise-wide risk education Institute. It is an independent, well-respected advocate of the risk profession, owned by practising risk professionals.

IRM passionately believes in the importance of risk management and that investment in education and continuing professional development leads to more effective risk management.

IRM supports risk professionals by providing the skills and tools needed to put theory into practice in order to deal with the demands of a constantly changing, sophisticated and challenging business setting. The IRM operates internationally, with members and students in over 100 countries, drawn from a variety of risk-related disciplines and a wide range of industries.

As a not-for-profit organisation, IRM reinvests any surplus from its activities in the development of international qualifications, membership, short courses and events.
