Maclear shortlisted for Risk Management Service Provider of the Year Award 2016

Maclear's enterprise, governance, risk and compliance (eGRC) software solution the Maclear eGRC Suite™ and professional services recognized in the Institute of Risk Management's Global Risk Awards 2016 shortlist.

The Institute of Risk Management (IRM) is the world's leading enterprise-wide risk education Institute. The IRM is an independent, internationally respected advocate of the risk profession, owned by practising risk professionals operating internationally, with members and students in over 100 countries, drawn from a variety of risk-related disciplines and a wide range of industries.

The Risk Management Service provider of the Year Award recognizes "the very best in service delivery among those that supply any risk management services to the industry." In judging this category the judges were looking for:

- * Customer satisfaction, including helping customers to achieve their risk management goals;
- * A commitment to risk management professional development within the service provider;
- * Innovative approaches to meeting customer needs and problem solving and
- * High quality delivery and customer service standards.

Ketan Dholakia, Co-founder and US & APACJ CEO said,

"Maclear is proud of our long standing association with the IRM, it is a great honour to be recognized for our contribution to risk and compliance management. Maclear continues to deliver a comprehensive, award winning, proprietary risk and compliance management solution that underpinned by a wealth of high quality professional and advisory services expertise."

IRM's Global Risk Awards are the risk world's answer to the Oscars, an opportunity to recognise, honour, and celebrate individuals and teams that have made significant contributions and paved the way for innovation and excellence in risk.
