

Press Release 4th March 2013 London, United Kingdom

## Maclear wins at the Inaugural IRM Global Risk Awards 2013

Maclear is proud to be recognized at the Inaugural Institute of Risk Management's Global Risk Awards – 2013, as the winner in the SME Risk Management category for their Maclear eGRC Suite™ management software and Maclear Advisory Services.

More than 50 international risk professional and organizations competed for glory at IRM's Global Risk Awards ceremony held on February 28, 2013 at the Grand Connaught Rooms in London, UK.

Hosted by trend-spotter and futurologist Magnus Lindkvist, the awards recognized and celebrated the world's best risk management talent.

A panel of 29 leading risk management figures from 16 countries across 5 continents judged the final shortlist. Nominations were received from across the Americas, Asia, Europe and the Middle East.

## **About IRM**

The Institute of Risk Management (IRM) is the world's leading enterprise-wide risk education Institute. We are independent, well-respected advocates of the risk profession, owned by practising risk professionals.

IRM passionately believes in the importance of risk management and that investment in education and continuing professional development leads to more effective risk management. We provide qualifications, short courses and events at a range of levels from introductory to expert.

IRM supports risk professionals by providing the skills and tools needed to put theory into practice in order to deal with the demands of a constantly changing, sophisticated and challenging business setting. We operate internationally, with members and students in over 100 countries, drawn from a variety of risk-related disciplines and a wide range of

industries.

As a not-for-profit organisation, IRM reinvests any surplus from its activities in the development of international qualifications, membership, short courses and events.
